

Home School Agreement

To be read in the context of school rules and policies

VISION STATEMENT

We are determined to create an inclusive culture of learning where all children will be challenged in their thinking, to achieve to the best of their abilities and strive to become lifelong learners.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home-school agreement.

We expect and give the very best education to every child as it is our mission to challenge and support our young people to achieve their potential. We believe that the academy's values of trust, kindness, resilience, aspiration and respect ensure that every student develops into a confident, successful and happy young adult, ready to face the future.
